

Be Part of the MAC Charitable Society for Children and Help Your Community

The MAC Charitable Society for Children's mission is to provide financial assistance to **local St. Louis children's charities** and to give back time and resources to the community. We achieve this by selecting three beneficiaries to which we donate money and offer the use of the Club. The charities are nominated by members of the MAC. The nominations are presented to the Board of Governors who then select the three beneficiaries for the year. In January of the following year, 100% of the money that has been collected is divided equally among the three deserving organizations. The Charitable Society for Children has no expenses, everything is funded through volunteer effort. **The MAC employees join forces with the membership to also donate to the three beneficiaries of the CSC. Throughout the month of October, employees donate portions of their paychecks to give to the charities.**

Be part of the Charitable Society for Children, and make a difference in the lives of fellow community members today.
