# SUPPORT THE CSC

The MAC Charitable Society for Children's mission is to provide financial assistance to local St. Louis children's charities and to give time and resources to the community. The charities are nominated by members and employees of the MAC. The nominations are presented to the Board of Governors who select the three beneficiaries for the year.

### 2019 CHARITIES

**Books for STL KIDS** is a completely volunteer run organization that has distributed over 122,000 books since 1998 to more than 85 existing literacy programs. They supply book grants to children from low-income families.

**Jackie Joyner-Kersey Foundation** works to change lives of at-risk children in East St. Louis and in communities across the US. The foundation encourages kids to dare to have dreams and then gain the confidence and drive to achieve them.

**Midtown Community Services** strives to provide a wholesome, peaceful center where individuals, families and especially children can be nurtured, supported and build community together.
